echo | collective

Antique Accordion

Kontakt System Requirements

.nki Kontakt instrument presets require the full retail versions of NI Kontakt 4.2.3 or later. The free Kontakt Player does not support these libraries.

Kontakt requires Windows XP/Vista/7 or an intel Mac OS 10.5 or higher.

The minimum recommended computer system should have at least 2 Gb of ram, a dual core processor, and a 7200 rpm SATA hard drive.

Copyright info and end user license agreement

All libraries and kontakt instrument presets are copyright Echo Collective and Dallas Audio Post and are offered under license. Purchasers may use these sounds royalty-free in accordance with the following terms and conditions.

purchasers may:

- re-record, duplicate and release these sounds as part of a product or project in whatever medium you choose.
- synchronize sounds with audio and or visual productions such as film, televisions, computer/video games, internet and any other media
- use these sounds as part of the public viewing or broadcast of your product.

purchasers may not:

- claim ownership or authorship of the sounds or presets purchased
- transfer or sell this license
- sell the sounds to any other party
- repackage, redistribute, or re license the sounds or any derivative collections made from the sounds.
