Burroughs Protectograph Check Printer

Duration	Filename	Description	Microphone
00:24.942	check printer-back-case on, off.wav	check printer-back-case on, off hollow metal case shell slide box	Schoeps CMC6 MK4
00:52.218	check printer-back-individual key presses.wav	check printer-back-individual key presses metal switch click	Schoeps CMC6 MK4
01:03.354	check printer-back-print key hits no case.wav	check printer-back-print key hits no case industrial grind stamp machine move	Schoeps CMC6 MK4
00:41.648	check printer-back-print key.wav	check printer-back-print key industrial grind stamp machine move	Schoeps CMC6 MK4
00:08.467	check printer-back-random light key movement.wav	check printer-back-random light key movement	Schoeps CMC6 MK4
00:16.015	check printer-back-repeat key click.wav	check printer-back-repeat key click tiny metal switch clack	Schoeps CMC6 MK4
00:42.458	check printer-back-steady fast key movement.wav	check printer-back-steady fast key movement	Schoeps CMC6 MK4
00:30.530	check printer-back-steady light key movement.wav	check printer-back-steady light key movement	Schoeps CMC6 MK4
00:21.480	check printer-back-steady rythmic total key.wav	check printer-back-steady rythmic total key industrial grind stamp machine move	Schoeps CMC6 MK4
00:07.173	check printer-back-tiny rotary knob.wav	check printer-back-tiny rotary knob	Schoeps CMC6 MK4
00:24.942	check printer-front-case on, off.wav	check printer-front-case on, off hollow metal case shell slide box	Schoeps CMC6 MK41
00:52.218	check printer-front-individual key presses.wav	check printer-front-individual key presses metal switch click	Schoeps CMC6 MK41
01:03.354	check printer-front-print key hits no case.wav	check printer-front-print key hits no case industrial grind stamp machine move	Schoeps CMC6 MK41
00:41.648	check printer-front-print key.wav	check printer-front-print key industrial grind stamp machine move	Schoeps CMC6 MK41
00:08.467	check printer-front-random light key movement.wav	check printer-front-random light key movement	Schoeps CMC6 MK41
00:16.015	check printer-front-repeat key click.wav	check printer-front-repeat key click tiny metal switch clack	Schoeps CMC6 MK41
00:42.458	check printer-front-steady fast key movement.wav	check printer-front-steady fast key movement	Schoeps CMC6 MK41
00:30.530	check printer-front-steady light key movement.wav	check printer-front-steady light key movement	Schoeps CMC6 MK41
00:21.480	check printer-front-steady rythmic total key.wav	check printer-front-steady rythmic total key industrial grind stamp machine move	Schoeps CMC6 MK41
00:07.173	check printer-front-tiny rotary knob.wav	check printer-front-tiny rotary knob	Schoeps CMC6 MK41
00:24.942	check printer-wide-case on, off.wav	check printer-wide-case on, off hollow metal case shell slide box	AT4050 omni
00:52.218	check printer-wide-individual key presses.wav	check printer-wide-individual key presses metal switch click	AT4050 omni
01:03.354	check printer-wide-print key hits no case.wav	check printer-wide-print key hits no case industrial grind stamp machine move	AT4050 omni
00:41.648	check printer-wide-print key.wav	check printer-wide-print key industrial grind stamp machine move	AT4050 omni
00:08.467	check printer-wide-random light key movement.wav	check printer-wide-random light key movement	AT4050 omni
00:16.015	check printer-wide-repeat key click.wav	check printer-wide-repeat key click tiny metal switch clack	AT4050 omni
00:42.458	check printer-wide-steady fast key movement.wav	check printer-wide-steady fast key movement	AT4050 omni
00:30.530	check printer-wide-steady light key movement.wav	check printer-wide-steady light key movement	AT4050 omni
00:18.792	check printer-wide-steady rythmic total key.wav	check printer-wide-steady rythmic total key industrial grind stamp machine move	AT4050 omni
