

swell - the designed collection

Length	Sample Rate	Filename	Description
00:11.455	96000	SWELL DESIGN_01.wav	designed cymbal swell, thin, smooth, wispy, clean, airy, bright, rising metal transition
00:10.154	96000	SWELL DESIGN_02.wav	designed cymbal swell, thin, smooth, wispy, clean, airy, bright, rising, stutter, gentle motion metal transition
00:33.637	96000	SWELL DESIGN_03.wav	designed cymbal swell, dark, smooth, motion, gong, long, cinematic metal transition
00:33.578	96000	SWELL DESIGN_04.wav	designed cymbal swell, gong, roll, cinematic, erie, ambient, dark, reverb metal transition
00:14.087	96000	SWELL DESIGN_05.wav	designed cymbal swell, smooth, rising, clean, standard, long metal transition
00:06.543	96000	SWELL DESIGN_06.wav	designed cymbal swell, short, wispy, clean, bright, airy metal transition
00:42.207	96000	SWELL DESIGN_07.wav	designed cymbal swell, dark, roll, gong, cinematic, ambient, space, reverb, smooth metal transition
00:11.263	96000	SWELL DESIGN_08.wav	designed cymbal swell, gong, layer, dark, cinematic, smooth, doppler, rising, space, reverb metal transition
00:12.860	96000	SWELL DESIGN_09.wav	designed cymbal swell, thin, ringing, smooth, long, clean metal transition
00:46.304	96000	SWELL DESIGN_10.wav	designed cymbal swell, rolling, gong, motion, big, long tail, cinematic metal transition
00:04.706	96000	SWELL DESIGN_11.wav	designed cymbal swell, short, splash, light, bright, smooth, quick, fast, clean metal transition
00:06.613	96000	SWELL DESIGN_12.wav	designed cymbal swell, medium short, splash, light, bright, smooth, quick, fast, clean metal transition
00:04.905	96000	SWELL DESIGN_13.wav	designed cymbal swell, short, splash, light, bright, smooth, quick, fast, clean, airy, wash metal transition
00:06.474	96000	SWELL DESIGN_14.wav	designed cymbal swell, stutter, chopped, clean, medium, smooth metal transition
00:06.474	96000	SWELL DESIGN_15.wav	designed cymbal swell, smooth, medium, airy, metal transition, shimmering
00:07.082	96000	SWELL DESIGN_16.wav	designed cymbal swell, smooth, white wash, noise, metal transition, layer, wispy, shimmering
00:03.850	96000	SWELL DESIGN_17.wav	designed cymbal swell, short, clean, metal transition, ringing, bright, airy
00:06.378	96000	SWELL DESIGN_18.wav	designed cymbal swell, smooth, dark, rush, motion, metal transition
00:05.653	96000	SWELL DESIGN_19.wav	designed cymbal swell, smooth, dark, rush, metal transition, motion panning
00:04.949	96000	SWELL DESIGN_20.wav	designed cymbal swell, smooth, filtered, metal transition, rising, dark
00:06.698	96000	SWELL DESIGN_21.wav	designed cymbal swell, smooth, filtered, bright to dark, metal transition
00:07.189	96000	SWELL DESIGN_22.wav	designed cymbal swell, filtered, smooth, metal transition, bright to dark
00:08.981	96000	SWELL DESIGN_23.wav	designed cymbal swell, filtered, smooth, metal transition, bright to dark
00:05.525	96000	SWELL DESIGN_24.wav	designed cymbal swell, filtered, smooth, metal transition, bright to dark, closing filter
00:07.953	96000	SWELL DESIGN_25.wav	designed cymbal swell, filtered, smooth, metal transition, bright to dark, fast, quick, short
00:05.631	96000	SWELL DESIGN_26.wav	designed cymbal swell, thin, filtered, metal transition, narrow, sharp, cutting
00:04.799	96000	SWELL DESIGN_27.wav	designed cymbal swell, rich, medium, smooth, metal transition, clean
00:08.941	96000	SWELL DESIGN_28.wav	designed cymbal swell, glitched, distorted, metal transition
00:13.290	96000	SWELL DESIGN_29.wav	designed cymbal swell, alien, tonal, pad, build, dsp, drone metal transition
00:07.395	96000	SWELL DESIGN_30.wav	designed cymbal swell, drone, tonal, ambient, alien, space, filtered metal transition
00:09.458	96000	SWELL DESIGN_31.wav	designed cymbal swell, high pitched, tonal, filtered, space metal transition
00:09.023	96000	SWELL DESIGN_32.wav	designed cymbal swell, erie, alien, space, filtered, drone metal transition
00:09.067	96000	SWELL DESIGN_33.wav	designed cymbal swell, noise, rush, rise, metal transition, dark, smooth
00:10.320	96000	SWELL DESIGN_34.wav	designed cymbal swell, smooth, medium dark, silky, airy, metal transition
00:12.565	96000	SWELL DESIGN_35.wav	designed cymbal swell, thin, smooth, metal transition, wash, rush
00:09.621	96000	SWELL DESIGN_36.wav	designed cymbal swell, very thin, filtered, smooth, metal transition, rush, airy, wispy
00:06.591	96000	SWELL DESIGN_37.wav	designed cymbal swell, fast rush, quick, metal transition, wash
00:04.373	96000	SWELL DESIGN_38.wav	designed cymbal swell, thin, quick, fast, rush, metal transition
00:05.269	96000	SWELL DESIGN_39.wav	designed cymbal swell, dark, quick, rush, fast, wash, smooth, metal transition
00:07.265	96000	SWELL DESIGN_40.wav	designed cymbal swell, pink noise, rush, filtered, fast, quick, dark, metal transition
00:07.226	96000	SWELL DESIGN_41.wav	designed cymbal swell, pink noise, rush, filtered, fast, quick, dark, metal transition
00:08.841	96000	SWELL DESIGN_42.wav	designed cymbal swell, smooth, airy, medium thin, metal transition, rush
00:08.405	96000	SWELL DESIGN_43.wav	designed cymbal swell, noise, layered, metal transition, wipe
00:09.247	96000	SWELL DESIGN_44.wav	designed cymbal swell, noise, layered, metal transition, wipe
00:09.712	96000	SWELL DESIGN_45.wav	designed cymbal swell, noise, layered, metal transition, wipe, dark
00:09.175	96000	SWELL DESIGN_46.wav	designed cymbal swell, stutter, spinning, chopped, motion, metal transition, whoosh, lfo
00:09.300	96000	SWELL DESIGN_47.wav	designed cymbal swell, decelerating rate, lfo, stutter, chopped, metal transition
00:08.622	96000	SWELL DESIGN_48.wav	designed cymbal swell, accelerating rate, lfo, stutter, chopped, metal transition, whoosh, wipe
00:06.869	96000	SWELL DESIGN_49.wav	designed cymbal swell, accelerating rate, lfo, stutter, chopped, metal transition, whoosh, wipe, long
00:08.445	96000	SWELL DESIGN_50.wav	designed cymbal swell, lfo, stutter, chopped, metal transition, whoosh, wipe, deep, space
00:09.885	96000	SWELL DESIGN_51.wav	designed cymbal swell, lfo, stutter, chopped, metal transition, whoosh, wipe
00:08.223	96000	SWELL DESIGN_52.wav	designed cymbal swell, thin, tonal, ring, filtered, dsp metal transition
00:09.568	96000	SWELL DESIGN_53.wav	designed cymbal swell, atonal, ring, rush, rise, alien metal transition
00:03.882	96000	SWELL DESIGN_54.wav	designed cymbal swell, thin, tonal, rise and stop, smooth, metal transition
00:04.459	96000	SWELL DESIGN_55.wav	designed cymbal swell, thin, tonal, smooth, shutter end, reverse metal transition
00:03.775	96000	SWELL DESIGN_56.wav	designed cymbal swell, wipe, noise, thin, metal transition
00:02.549	96000	SWELL DESIGN_57.wav	designed cymbal swell, thin rise, airy, smooth, sweep, wash, metal transition
00:02.805	96000	SWELL DESIGN_58.wav	designed cymbal swell, thin, wash, reverse, flutter end, metal transition
00:13.621	96000	SWELL DESIGN_59.wav	designed cymbal swell, ambient, gong, space, texture, rise metal transition
00:18.490	96000	SWELL DESIGN_60.wav	designed cymbal swell, long, gong, tonal, rich, rise, dark, moody metal transition
00:10.541	96000	SWELL DESIGN_61.wav	designed cymbal swell, dark, moody, gong, texture, rich, moody metal transition
00:10.410	96000	SWELL DESIGN_62.wav	designed cymbal swell, tonal, filtered, ambient, space, metal transition
00:08.277	96000	SWELL DESIGN_63.wav	designed cymbal swell, rise, metal transition, tonal, filtered, smooth
00:13.493	96000	SWELL DESIGN_64.wav	designed cymbal swell, erie, high pitched, stop, long rise, gong, texture, metal transition
00:13.096	96000	SWELL DESIGN_65.wav	designed cymbal swell, smooth, natural, airy, rise, metal transition
00:13.185	96000	SWELL DESIGN_66.wav	designed cymbal swell, smooth, natural, airy, rise, metal transition
00:13.360	96000	SWELL DESIGN_67.wav	designed cymbal swell, smooth, fast, metal transition, natural, rise, airy
00:15.883	96000	SWELL DESIGN_68.wav	designed cymbal swell, smooth, fast, metal transition, natural, rise, airy
00:13.148	96000	SWELL DESIGN_69.wav	designed cymbal swell, natural, roll, metal transition, filtered, smooth
00:16.018	96000	SWELL DESIGN_70.wav	designed cymbal swell, tonal, gong, long, ambient, metal transition
00:14.026	96000	SWELL DESIGN_71.wav	designed cymbal swell, reverse gong, metal transition, rise, ambient, big, space, moody
00:14.976	96000	SWELL DESIGN_72.wav	designed cymbal swell, gong, filtered, space, ambient, moody metal transition
00:22.782	96000	SWELL DESIGN_73.wav	designed cymbal swell, big, deep, gong, long, textured, moody, filtered metal transition
00:41.162	96000	SWELL DESIGN_74.wav	designed cymbal swell, ambient, space, long tail, tonal, wash metal transition
00:13.079	96000	SWELL DESIGN_75.wav	designed cymbal swell, quick, fast, rush, swoosh, wipe, rush, metal transition
00:15.078	96000	SWELL DESIGN_76.wav	designed cymbal swell, quick, fast, rush, swoosh, wipe, rush, metal transition, long build
00:14.323	96000	SWELL DESIGN_77.wav	designed cymbal swell, quick, fast, rush, swoosh, wipe, rush, metal transition, long tail
00:03.136	96000	SWELL DESIGN_78.wav	designed cymbal swell, super quick, fast, rush, swoosh, wipe, rush, metal transition
00:04.277	96000	SWELL DESIGN_79.wav	designed cymbal swell, quick, fast, rush, swoosh, wipe, rush, metal transition
00:05.674	96000	SWELL DESIGN_80.wav	designed cymbal swell, quick, fast, rush, swoosh, wipe, rush, metal transition
00:10.234	96000	SWELL DESIGN_81.wav	designed cymbal swell, thin bright whoosh white noise clean intense building rise metal transition
00:10.077	96000	SWELL DESIGN_82.wav	designed cymbal swell, thin bright whoosh white noise clean intense building rise metal transition
00:10.385	96000	SWELL DESIGN_83.wav	designed cymbal swell, thin bright whoosh white noise clean intense building rise metal transition
00:10.047	96000	SWELL DESIGN_84.wav	designed cymbal swell, thin bright whoosh white noise clean intense building rise metal transition
00:13.933	96000	SWELL DESIGN_85.wav	designed cymbal swell, medium metallic ring up harmonic overtones building rise transition
00:12.849	96000	SWELL DESIGN_86.wav	designed cymbal swell, medium metallic ring up harmonic overtones building rise transition
00:13.893	96000	SWELL DESIGN_87.wav	designed cymbal swell, medium metallic ring up harmonic overtones building rise transition
00:15.821	96000	SWELL DESIGN_88.wav	designed cymbal swell, medium metallic ring up harmonic overtones building rise transition
00:10.514	96000	SWELL DESIGN_89.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:06.243	96000	SWELL DESIGN_90.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:08.875	96000	SWELL DESIGN_91.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:08.599	96000	SWELL DESIGN_92.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:10.133	96000	SWELL DESIGN_93.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:07.604	96000	SWELL DESIGN_94.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:07.685	96000	SWELL DESIGN_95.wav	designed cymbal swell, stutter flutter pulsing vocal open distortion reverberant building rise metal transition
00:18.321	96000	SWELL DESIGN_96.wav	designed cymbal swell, phasing movement vocal bright shimmer wash long tail medium speed building rise metal transition
00:18.906	96000	SWELL DESIGN_97.wav	designed cymbal swell, phasing movement vocal bright shimmer wash long tail medium speed building rise metal transition
00:16.851	96000	SWELL DESIGN_98.wav	designed cymbal swell, phasing movement vocal bright shimmer wash long tail medium speed building rise metal transition
